

Below is everything you need to know so you are ready to go this weekend.

TEAM T-SHIRT PICK UP

Team Captains are responsible for picking up the team's shirts and distributing them within the team. Please contact your team captain to determine plans for your team's shirt distribution.

Team t-shirt pick up will be held at Kauffman Stadium in Lot A, beginning **Thursday, October 1**. Below is the schedule and pick up times. Team captains: please go to the registration tent when you arrive to the lot.

- **Thursday, October 1st from 8:30am-4:30pm**
- **Friday, October 2nd from 8:30am-4:30pm**
- **Saturday, October 3rd from 10:00am-2:00pm**

If your team has had family and friends register since the team name deadline on September 16th, those shirts will be added to your team's shirt box.

Please keep in mind that online registration will close on **Friday, October 2nd at 5:00pm**. After that day and time, guests may register the day of event at the registration tent, although we can not guarantee shirt sizes that day.

TEAM TENT DROP OFF

For teams that raised the minimum \$500+ level, please bring your tent (if you wish) with you. At that time, you will pick your tent location and pick up your walk shirts.

Your tent will be labeled with your team name. **Please remember to bring sandbags/weights with you, or anything heavy to keep the base of your tent from blowing away.** Feel free to bring extra tables, chairs and anything you/your team may need as well.

DAY-OF SCHEDULE

- **8:00-10:00am:** Team captains set up tents* (drop off lane open)
- **10:00 am:** Event begins (drop off lane closes) and activities open
- **10:30-10:45:** Line up for the ceremonial walk
- **11:00 am:** Ceremonial 1-mile walk begins
- **11:30 am – 1:00 pm:** Lunch is served and activities are open
- **1:00-2:00 pm:** Enjoy event activities
- **2:00pm:** Event concludes (drop off lane opens back up)

**Captains may bring team tents the morning of the walk, and volunteers can assist with transporting the tent and other items from the drop off lane to your chosen tent location. Please set up your tent within the team tent area (see map and legend below).*

Drop Off Lane

Team Captains and guests will have the opportunity to drop off tents, coolers, and other items in the drop off lane for closer access to the Team Tent Area between 8:00-10:00am. After 10:00am, guests will need to transport items from their cars in the parking lot.

Volunteers will be available to help with unloading and transporting. Vehicles should only be in the drop off lane for 5 minutes or less, as it is important that all drivers return to their vehicles and move their vehicles to the parking lots, to reduce congestion in this area.

The drop off lane starts at the north entrance of Lot A and concludes at the south entrance of Lot A (see map below).

Accessibility Transport

A volunteer and golf cart will be designated for Accessibility Transport, and available at the drop off lane. Those needing this accommodation can request it by asking a volunteer in an orange vest who is stationed in the drop off lane. This accessibility transport is prioritized for those who have limited mobility, expectant mothers and those carrying infants, and elderly guests.

Inclement Weather

While we do not anticipate any weather emergencies, specifically lightning, please be on alert of announcements during the event. We will share any related information from the stage.

If lightning is spotted 8 miles from Kauffman Stadium, we will ask guests to please shelter inside of their cars and we will announce when we have the all clear to return back to the event.

Furry Friends

While we all love our furry friends, please **do not** bring your pet to the Step Up Walk. If you have a support dog, please be sure they are wearing the appropriate harness that is clearly marked.

Heaters/Grills

Please keep in mind that portable propane heaters and or grills are **not** allowed during the event.

Lost Individual

In the event an individual is lost, please head directly to the stage. The DJ will alert Amy Stoll and we will make announcements.

First Aid

We will have medical staff on hand for any emergency. The medical ambulance will be located near the registration tent.

Event Breakdown

The drop off lane will open back up at the conclusion of the event at 2:00pm. At this time, team captains and guests can transport items from the tent area to the car lane and load their cars there.

Guests leaving before 2:00pm will need to transport items directly to their cars in the parking lot, but can request the assistance of volunteers who will be walking around in orange vests.

Important Safety Information

No cars or trucks are allowed within the event space between 7:00am and 3:00pm due to safety reasons. Volunteers will be available to assist with transporting items from tents to cars in the lane or parking lot. **Please follow this rule for the safety of all guests, and help us enforce this with others as you are able, as this is a concern every year.**
